1 A. Yup.

2 Q. Do you understand that if you do not tell
3 the truth to the Grand Jury, you may be charged and
4 convicted of perjury, obstruction of justice,
5 entering false statements, each of which is
6 punishable by up to five years in prison?

7 A. Yes, sir.

8 Q. Do you understand that you may refuse to
9 answer any questions that would incriminate you?

10 A. Yes, sir.

11 Q. Benny, do you know somebody by the name of
12 Allister Quintana?

13 A. Yes, I do. He's one of my best friends.

14 Q. How long have you known Allister?

15 A. I met him when I was, like, ten, maybe
16 nine -- when we were kids.

17 Q. And do you know if Allister has an
18 Instagram account?

19 A. He has an Instagram, yeah, that he talked
20 to his girl friend with. He conversed with her over
21 it.

22 Q. Is his name on Instagram Danzig Crowley?

23 A. Personally, I can't have Instagram cuz my
24 girl's insecure, so I wouldn't know.

25 Q. You're not sure what his Instagram account

1 is?

2 A. I wouldn't know.

3 Q. Do you know that his middle name is Danzig?

4 A. Allister Danzig Crowley?

5 Q. No, I'm sorry; Allister Danzig Quintana?

6 A. Yeah.

7 Q. Does he go by "Crowley" sometimes?

8 A. He calls himself Crowley. It's a pretty
9 evil name his dad gave him. It's pretty awful.

10 Q. Related to Aleister Crowley, the infamous
11 satanist from the early 20th Century?

12 A. Yes.

13 Q. Benny were you arrested in Dulce on
14 January 22nd of 2018?

15 A. Yes, I was.

16 Q. Around that time period was Allister in
17 jail, as well?

18 A. Yes, he was in there when I got in. I got
19 thrown in for domestic violence.

20 Q. You were released from jail on January 31st
21 of 2018?

22 A. Yes.

23 Q. And you bailed Allister out the next day,
24 which would February 1st, of 2018.

25 A. My friend, Howard, bailed me out, and then

2 Q. When you say "him" you mean "Allister".

3 A. Yes.

4 Q. You went to Allister's house that day you
5 bailed him out?

6 A. Yeah, with Cheryl.

7 Q. And on February 1st of 2018, was there
8 anything unusual about his house?

9 A. Just bottles -- like, alcohol bottles,
10 trash bags. That's it.

11 Q. Did you notice --

12 A. -- from previous parties he had.

13 Q. Did you notice any unusual smells, or blood
14 or anything like that?

15 A. No. There was nothing the day I was there.

16 Q. On February 1st of 2018.

17 A. Yeah.

18 Q. Did Allister want you to drink with him
19 that night?

20 A. He wanted to drink with him, but I was
21 supposed to go see my baby's mamma, my daughter.
22 Went to go see her, and then my other -- my
23 girlfriend, the one I got a DV with -- I wasn't
24 supposed to be with her. I wasn't supposed to see

1 see her. She stayed at my house. We weren't

3 and she stayed at my house, and everyday since we've
4 been at my mom and dad's.

5 Q. So you didn't stay at Allister's very late
6 on the night of February 1st?

7 A. I'd say it was about 11:30 to 12:00 by the
8 time I left.

9 Q. P.M.?

10 A. Yeah. My girl was kind of intoxicated.
11 She was, like, Come pick me up. And I picked her up
12 and went home.

13 Q. On the night of February 1st, did you
14 notice anything unusual in Allister's house?

15 A. No. They were just drinking, him and
16 Cheryl.

17 Q. Now, Allister's birthday is around the
18 beginning of February, right?

19 A. Yes.

20 Q. Now, on Allister's birthday did he get in a
21 fight with somebody named Travis Howland?

22 A. The only reason why I knew he got in a
23 fight was because the day I seen Warren and them,
24 they picked me up -- they showed pictures of him all
25 bloody.

1 Q. And would that be Travis Howland?
 2 A. Yes.
 3 Q. Who is Travis Howland?
 4 A. Robin Benedict's stepson, I think.
 5 Q. He is a guy that lives in Dulce, as well?
 6 A. I never knew the guy personally, but he was
 7 Allister's cousin. Supposedly stems from a debt of
 8 cards. Allister was supposed to get bailed out. He
 9 was sitting in jail since Christmas, or whatever.
 10 And then his deck of cards was getting shuffled
 11 between people. It ended up with Travis. Travis was
 12 supposed to bail him out, and never did.
 13 Q. You bailed him out?
 14 A. When I was in jail, I remember Allister
 15 talking about, "Yeah" -- Allister and Howard were,
 16 like, "Yeah, Benny, when you get out, you should go
 17 beat him up or something."
 18 And I said, "You know what, I'm not going
 19 to do that."
 20 And Allister straight up said, "You know
 21 what, I can handle it in my own hands."
 22 Q. Allister said that he could handle Travis
 23 in his own hands?
 24 A. That's when I put two and two together and
 25 figured out that he did it.

1 Q. That is before you bailed him out on
 2 February 1st?
 3 A. Yeah, that's when we were in jail.
 4 Q. On February 2nd of 2018, you picked up
 5 Allister and a guy by the name of Andrew Bedwin?
 6 A. In my Ford truck, in Pagosa Springs.
 7 Q. You picked him up in Pagosa Springs?
 8 A. About 6:00 that he wanted me to go up. He
 9 said he was stranded. It was him, Cheryl, Aleen and
 10 Andrew. I told him I would pick him up. I left
 11 about 6:30, 7:00. Got up there. My truck goes very
 12 slow, so I got up there, picked him up.
 13 And before I got there, Cheryl was, like,
 14 can you pick me up -- me and Aleen. And my
 15 girlfriend got on the phone right away and texted
 16 back, "We're not a damn taxi. We're not going to
 17 pick you up." My girl is insecure, you know.
 18 Q. So she didn't want you to pick up the two
 19 women?
 20 A. Not the two women. No, I was just there to
 21 pick up Allister and Andrew that same night, and
 22 dropped them off at his house in Dulce about 11:30 to
 23 12:00, we dropped them off.
 24 Q. P.m.?

1 Q. Did they both ride in the back of your truck
 2 from Pagosa?
 3 A. Yeah. It was cold, but they were in the
 4 back.
 5 Q. Did they both seem like they had had any
 6 alcohol that day?
 7 A. They were all drinking. That's the reason
 8 why they were up there. He was calling on the phone
 9 saying, I'm at this bar and this bar, and they got
 10 stranded. Their ride broke down. And the same
 11 night, me and my girlfriend went to Walmart before it
 12 closes, and they bought, like, a 30-pack of Heineken.
 13 They only sell 3.2 in Colorado, but we still bought
 14 alcohol that night.
 15 Q. But you left around 11:30 from Allister's
 16 house, when you dropped them off?
 17 A. We pulled in, dropped them off, and me and
 18 my girl went back home and went to bed.
 19 Q. On the night of February 2nd, after you
 20 dropped him off, did you go inside Allister's house
 21 for any reason.
 22 A. No.
 23 Q. After February 2nd, 2018, did you go
 24 inside Allister's house ever?
 25 A. No. The only thing -- I tried going in,

 2 Q. When was that?
 3 A. Around the 3rd to the 5th. Andrew wanted
 4 to go get pills for his broken collarbone, so I went
 5 up and tried knocking on the door for about 30
 6 minutes. No one wanted to let me in.
 7 Q. Could you hear people inside?
 8 A. I couldn't hear people, but I knew they
 9 were there from the texts and the calls. I went home
 10 and called him. I told him, "Why didn't you let me
 11 in, Bro? You wanted me to take Andrew to the

 13 And he just said he wasn't home.
 14 I said, "I know you were home, Bro."
 15 Q. This is between February 3rd and
 16 February 5th?
 17 A. Yes.
 18 Q. Was that unusual that he wouldn't let you
 19 in after texting you to come?
 20 A. Just like I told the FBI, if he came over
 21 to my house, and he wanted me to do something for
 22 him, or he came to my house, I would let him in and
 23 give him something to drink -- give him a soda.

1 A. Yeah. The day I pulled up I kind of, like,
 2 pulled in. It was there. I didn't want to run it
 3 over, so I moved it to the side, pulled up and
 4 knocked on the door. That was the same day.

5 Q. And his front window was broken out?

6 A. It has been broken. The day I got out of
 7 jail, I went to his house to get a guitar, and it was
 8 broken.

9 Q. And so it has been broken since 2017.

10 A. It's been broken even probably before that.

11 Q. Did you knock on the door and try to get
 12 their attention when you were out in front of their
 13 house?

14 A. Yes. I knocked -- I honked, knocked for
 15 about 30 minutes. They didn't want to come out.

16 Q. Do you know who was hanging out with
 17 Allister that day?

18 A. Yeah, it was Allister, Leeshy -- her name
 19 is Alicia Vigil and Andrew Bedwin.

20 Q. How do you know that they were hanging out
 21 with Allister?

22 A. Because I knew Leeshy was there, because a
 23 couple days before that he wanted me to take her
 24 home. And I'm not allowed to be around girls, you
 25 know, so that was out of the question. And I knew

1 Andrew was there because he called on the phone,

5 Q. Now, this day between the 3rd and 5th of
 6 February, Andrew had a broken collar bone, you said?

7 A. Yes.

8 Q. Did he have that broken collar bone on the
 9 2nd of February when you picked him up in Pagosa?

10 A. Yeah, he did.

11 Q. He did? Did you see it?

12 A. They were riding around when I took them to
 13 the Walmart. They were kind of funny people -- they
 14 were riding around inside -- he was pushing him in
 15 the wheelchair. They were, like, putting on hats and
 16 stuff, acting all funny. And they bought Heineken
 17 that night.

18 Q. Was he wearing a sling or anything at that

21 Q. On 2nd of February?

1 just told him, "Be safe," you know. I told him,

4 Q. So he was out of custody from
 5 February 1st to February 8 of 2018?

6 A. From his birthday to the 8th, I'm pretty
 7 sure. That's when they were up -- I don't know what
 8 street it was, but they were up there drinking. Him
 9 and Leeshy were in the room, and that's how I knew
 10 they were together, too, because he was sleeping with
 11 her in the room. They kicked open the door and
 12 arrested them.

13 Q. Were they in a relationship Leeshy and
 14 Allister.

15 A. They were in a relationship for a while
 16 previously. It was, like, off and on. It is like
 17 hit and miss, arguing all the time.

18 Q. And then on February 14th of 2018, you
 19 spoke with somebody named Brian Cachucha about what
 20 he found at Allister's house, right?

21 A. Yeah.

22 Q. What did he find at Allister's house?

 24 found a body. He told me and my dad. And then

7 A. Yes. I seen her in person.

8 Q. Her name is Harley Howland?

9 A. Yes.

10 Q. And did she give you a ride to speak with
 11 law enforcement?

12 A. Yeah, she took me up to the scene where the
 13 FBI was, and they told me to meet at 6:00 at the PD.
 14 So that's what I did.

15 Q. And why did you decide to cooperate so

17 A. Because -- I don't know -- just the family
 18 needs it, you know. They need closure. It was all
 19 over Facebook. They were saying he was missing or
 20 something. So I just felt it was my obligation. I
 21 had nothing, you know.

6 A. They made me put it around my ear, and run
7 it through my back. And I had, like a headphone with
8 a mic in it, and I spoke to him several times.

9 Q. And during all of your interactions with
10 law enforcement in this case, the FBI, as well as
11 tribal police, you understood how important it was to

13 A. Yes, sir.

14 Q. And were you honest with them every time?

15 A. Yes, sir.

16 Q. Did you tell them everything you know?

17 A. Uh-huh.

18 Q. And you provided shoe impressions and tire
19 impressions for the shoes that you were wearing --

20 A. Same shoes I'm wearing now, my Vans. And

1 A. Yes.

2 Q. And did you turn it over to the FBI?

3 A. Uh-huh, yup.

4 Q. Why did you have Allister's debit card in
5 your possession?

6 A. The day he got out, he wanted to put his
7 debit card somewhere. He don't have a P.O. box, so
8 he wired it to my dad's P.O. Box.

9 Q. When you say "wired it," did he mail it,
10 the physical card?

11 A. Yes.

12 Q. And was there any cash that he had
13 associated with that debit card?

14 A. He has a trust fund. The Nation gives
15 their children -- the members, trust funds. So he
16 had a pretty good amount of money.

17 Q. And was there \$300 cash that you had in
18 your possession that Allister's at the time you went
19 to visit the FBI?

20 A. Yeah, the reason why I did that is because
21 when I bailed him out I pawned my Xbox. It was an
22 old Xbox -- my old Xbox, my old games, my new Play
23 Station, all of my new games. So that's the reason
24 why. I kept 200. I gave them 100, and his debit
25 card. The 200 was for what he owed me for me bailing

1 him out the first time and then skipping on it.

2 Q. So you kept the 200 that he owed you, and
3 provided the other 100 to the FBI?

4 A. Yes.

5 Q. The day before you heard about the body
6 being discovered in Allister's house, you spoke with
7 him in jail, right?

8 A. Yeah the day I spoke with him in jail, he
9 was just very frantic, saying that he wanted to get
10 out, he wanted to clean his house. He wanted to skip
11 town, get excluded from the rez, get, like -- it's
12 called a "floater," I guess. Just get off, you know,
13 get away. That's very unusual for him, you know,
14 especially, with his amount of money, and the way he
15 drinks at home. It's kind of unusual for him to
16 leave, skip town.

17 Q. Did he tell you he did something bad and
18 went overboard?

19 A. Yeah, when he was in jail.

20 Q. He told you, when he was in jail, that he
21 had done something bad?

22 A. No, when he was in jail on the 14th, when
23 I went to visit him. I just told him, you know, I
24 don't want to hear about it. I only want to hear
25 about the good things.

1 Q. You said the 14th, but it was certainly
2 the day before --

3 A. It was Valentine's, because I told him,
4 "I'm not going to bail you out today, Bro. It's
5 Valentine's Day. It's for me and my girl. It's not
6 for you, Bro. I'm sorry. I told him, "I'll get you
7 out tomorrow."

8 The day I went in, the 15th, I tried to get
9 him out, and Peter Dock denied me, said that he
10 skipped his last bail, and he said that the tribe
11 hasn't been paying him back.

12 Q. Is that a bondsman?

13 A. Yeah, he denied.

14 Q. So you tried to post his bond on the
15 15th?

16 A. On the 15th. Same day I went back home,
17 and that's when Brian came over to the house, that
18 evening.

19 Q. So the night that Brian came over to the
20 house is the night you tried bail --

21 A. Yeah, the 15th.

22 Q. So you already knew the body was discovered
23 when you tried to bail out Allister?

24 A. No.

25 Q. It was before that?

U.S. v. Allister Quintana

1 A. It was after.
 2 Q. I'm sorry, can you explain that again?
 3 A. Because I went to go bail him out, and
 4 then --
 5 Q. The bondsman wouldn't let you?
 6 A. And then I got home, it was like maybe
 7 3:00, 4:00, and that's when Brian came over, and
 8 that's when Howard and Harley and all them started
 9 accusing me, so I told them to pick me up.
 10 Q. And it was the day before that that you
 11 spoke with Allister in jail?
 12 A. Yeah, and he was just very frantic trying
 13 to get out of town, trying to leave.
 14 Q. And, Mr. Collins, you never went inside
 15 Allister's house on the 3rd of February?
 16 A. No.
 17 Q. You never saw a dead body in a closet on
 18 the 3rd of February?

 15 A. I've known him since I was 17. We both

 2 A. Yes.
 3 Q. Can you tell the Grand Jury what you know?

 5 Q. No, just tell them about when you
 6 discovered what happened to Travis?
 7 A. February 2nd -- I believe, I think, is when
 8 he was murdered. I tried looking for him afterwards,
 9 like a few days. And it was then when I had the
 10 terrible feeling that something bad happened to him,
 11 because I couldn't find him anywhere. So I believe

1 Isaiah. Isaiah had went to work, and he went to the
 2 tribal building with Isaiah, and said he was going to
 3 wait there for me. I was getting our daughter ready
 4 for school. We were supposed to go up to Pagosa
 5 Springs to get me a new headlight, because I had no
 6 headlights, and he just got a loan.

7 So we -- he wanted to take our daughter to
 8 school that day instead of me just dropping her off.
 9 He wanted to see her get dropped off at school, too.
 10 So we both went up there, dropped her off, and we
 11 jetted straight up to Pagosa. Did my headlights
 12 first, and then went to Walmart and he got things for
 13 our daughter, Valentine's stuff, and got her clothes
 14 and whatever I needed, and what he needed. He got,
 15 like, a bunch of things.

16 That's why I knew something was wrong,
 17 because he would have wanted those things -- shoes,
 18 underwear, shampoo, lotion, like, whatever. He
 19 needed those things. Those things were necessary.
 20 So that day we had to come back before 2:00, because
 21 that's when our daughter gets out of school -- out of
 22 Headstart, so I told him we needed to be back by
 23 2:00.

24 So we came back, probably around 1:30,
 25 almost 2:00, I want to say. I dropped him off first

1 at his friend Matt's -- Matthew Vincente. And that
 2 was the last I saw him that day. I told him I would
 3 be back, or not to go anywhere, that we were trying
 4 to bond out Cheryl's boyfriend, the other Matt, and
 5 we had to go see the bondsman in Pagosa.

6 Q. When you say "the other Matt," you are
 7 referring to Allister Quintana?

8 A. No, Matthew, because he was in jail at the
 9 time. And so Cheryl had asked Allister if he could
 10 help bond out Matthew, because he was in there. So
 11 he agreed, and I thought that they had already called
 12 to double-check and see if they could get him out,
 13 but they didn't. So when we went out there they said
 14 they couldn't -- some reason he couldn't get bonded
 15 out. So, it was Allister's birthday, and he was kind
 16 of being somehow, like, with an attitude. It's my
 17 birthday and nobody wants to do anything. I, at
 18 least, want to go eat. So I felt bad, and I took him
 19 to go eat. He had his own money and everything. But
 20 he didn't get his full trust fund, or something like
 21 that. So he had some cash, though, and that's what
 22 he paid for the food.

23 It was getting evening. The sun was going
 24 down, and I kept telling him, I need to get back to
 25 Travis. I need to go back to Travis before it gets

1 too dark. And every time I would say Travis' name,
 2 he would just roll his eyes, or not pay attention to
 3 me, and that was weird for me. I was just, like, Oh
 4 my gosh.

5 So we were waiting and waiting, and it got
 6 too late -- and we were waiting for Allister. He
 7 just sat in the restaurant that whole time. I don't
 8 know what he was doing. Me and Cheryl were waiting
 9 outside, and it got too dark, so we went to the
 10 hotel -- waiting for those guys. We told them we
 11 would wait for them there.

12 When we got there Allister was frustrated,
 13 because he said he couldn't get into his trust fund
 14 account, or something like that. So we walked to
 15 Walmart -- me and Cheryl walked to Walmart from the
 16 hotel room. We were still waiting for Allister and

1 were going to pick up Allister and Andrew and take
 2 them back. And it is just a single cab -- an old
 3 truck. So they got into the back of the bed. And me
 4 and Cheryl couldn't get ahold of anybody -- nobody.
 5 So we walked to the Tahoe, and I told the restaurant
 6 the whole situation, and that my car was going to be
 7 out there.

8 So that night we end up having to stay in
 9 my Tahoe the whole night. And my daughter was with
 10 Cheryl's mom. Cheryl's mom called me later on that
 11 night, and she said that Travis was there, but he was
 12 angry about something, and he was pretty under the
 13 influence of alcohol, and she didn't want that there.
 14 So she was trying to calm him down, or he would have
 15 to go.

16 So I told her to tell him just to calm down
 17 and I would be back first thing in the morning, as
 18 soon as the sun comes up to where I'm able to see
 19 everything.

20 He called me off and on that night, and I

1 maybe if I answered it, things would be different.
 2 But that's the last -- as soon as the sun came up, we
 3 jetted back. We got something to eat and we jetted
 4 back, and I went to pick up my daughter. And as we
 5 pulled up, and I walked up to the door to Cheryl's
 6 mom's house, his hat was outside.
 7 Q. Whose hat?
 8 A. Travis' hat. He wears a cap. And it was
 9 sitting outside in the snow. And I was like, "Oh,
 10 look there's Travis' hat. I wonder why it's there,"
 11 you know.
 12 So I got my daughter, and Cheryl is, like,

 6 A. I'm pretty sure.
 7 Q. Can you tell us about something unusual you
 8 saw involving Andrew Bedwin's mother on
 9 February 13th of 2018?
 10 A. That day me and Cheryl, we had our kids
 11 with us, and we were at Rose's house. We were
 12 watching movies with her son, Aaron, and our kids
 13 were just running around playing. She wasn't home.
 14 She came back intoxicated, yelling around, and it
 15 frightened our kids, so I told Cheryl, "Let's get the
 16 kids out of here and let's do something else, take
 17 them to the playground or something."
 18 So as we were leaving she got in her van,
 19 and she was following us, like, really, really close
 20 and I noticed. So instead of going our usual route,
 21 I went a different way, and I noticed -- that's when
 22 I really did notice that she was following us, and I
 23 parked way up, because I sped up. And she parked
 24 down here off of Foothill, and I waited for her to
 25 leave. So I thought she went back home. So I was

1 like, "Well, Cheryl, should we just go back to your
 2 house and chill with the kids and make pizza or
 3 something for them?"
 4 On the route back to Cheryl's house is
 5 Allister's house, and she lives on this side, and
 6 Allister lives right here. She lives on Ute Street
 7 above him. So, of course, the route we're going to
 8 pass Allister's house, going to her house.
 9 As we were going by, I noticed her van --
 10 Rose Bedwin's van in the driveway. And so I slowed
 11 down and I told Cheryl, I was, like, "What's Rose's
 12 van doing over there? Nobody is home, and Allister
 13 is in jail." No, he was somewhere -- yeah, he was in

1 around, and then she went to the front door and she

6 So she told her to leave. And she left,
 7 and when we asked her what she was doing there, she
 8 said that Andrew had told her to check on the house.
 9 So that confused me and Cheryl. And Cheryl is, like,
 10 if Andrew said that, he should be the one coming here

15 A. Yes.

17 A. Last year, I'm guessing summertime, or

18 before summertime, which is probably around June

19 maybe July, he -- Travis Howland was with Allister

20 Quintana's mom. And Allister did not like that

21 because we all grew up together and we were

22 siblings -- claimed each other as siblings. And they

23 fought, and Allister beat him up at Allister's mom's

24 house.

21 Q. When you first moved in in August of 2017,

24 party house, pretty much people came and went

25 whenever they felt like it. I was desperate for a

1 home -- for a house and a place to stay. There's no

2 housing in Dulce.

3 So I asked Allister, him being my little

4 brother, my sibling, if we could move in, because it

5 was a three-bedroom house. And he said, Yes. So it

6 was really bad. The carpets were awful, to where the

7 dogs were -- the dogs he had, or whoever had animals,

8 would let them in and they would just go to the

9 bathroom wherever they wanted. There was overstocked

10 dishes and old food. The only food that was in the

11 fridge was just old, molded. It was just really

12 down.

13 Q. Did you do your best -- I'm sorry?

14 A. So, we cleaned it up. We pulled out the

15 carpet in the back room and we cleaned that area up

16 because of all of the dog poop on it. We shampooed

17 the carpets out. We refixed the door. The door

18 wasn't working. Actually, the front door was broken

19 to where Allister was putting a couch against the

20 door every night -- or every time he would leave the

21 house he would put a couch against the door, and

22 climb out the window. And that's how he was getting

23 in and out of his house.

24 So when he moved in -- my husband does home

25 improvement for a living, and he -- we got a new

2 making home improvements of just windows being fixed

3 and stuff, just for the sake of our kids, you know.

4 It got to the point where things were going

5 okay with Allister. He wasn't really home, like, a

6 lot. He would come back probably for clothes, and

7 then he would leave again.

8 Q. During that approximately six-month period

9 that you lived there, did you keep it reasonably

10 clean?

11 A. Yes.

12 Q. Tell me about a time that Travis stopped by

13 while you lived there, to visit you and your

14 children?

15 A. Travis came by one time, and -- to visit

16 us, and Allister got upset. He started freaking out,

17 and he is, like, "I don't want him here. He can't be

18 here. Fuck this guy. No, I don't want to fucking

19 see him."

20 And we were, like, "What's your problem,"

23 brothers. Michael is godly man. He is a real

24 Christian. And he pulled Allister aside, and he

1 was holding Allister back, Allister was holding --
 2 like, making a fuss to try to get at Travis. So
 3 Travis had walked away, and he was, like, well, you
 4 know, if he doesn't want me here, then I'm going to
 5 leave.

6 Michael calmed down Allister and told him,
 7 you know, if -- you can't live like this. This is
 8 your brother, and you guys got to let bygones be
 9 bygones, you know, just talking to Allister.

10 Allister calmed down, but once Allister
 11 knew that Michael was a reasonable man, and not going
 12 to let certain things interfere, I guess, you would
 13 say -- we don't like want confrontation around our
 14 kids and around ourselves. So Allister calmed down
 15 by then, and ever since then he has never really
 16 through a fit around Michael, because Michael is
 17 really built guy. He is heavyset.

18 Q. He is significantly larger than both Travis
 19 and Allister?

20 A. Yes.

21 Q. Now, this altercation where Allister was
 22 trying to get at Travis, that was in the late summer
 23 of 2017?

24 A. Yes.

1 point in January of 2018?
 2 A. Yes, I did.
 3 Q. Why did you have to call the police on him?
 4 A. Well, throughout -- it started in November.
 5 Allister was just acting out. "Acting out," meaning
 6 he -- Michael worked night shifts, from 12:00 a.m.
 7 all of the way up to 8:00 a.m. So me and the kids
 8 were home alone during the night. And right when
 9 Michael would leave, Allister would start playing
 10 loud music, inviting people over. You know, I would
 11 wake up in the middle of night, and be, like, There's
 12 so many people here. My kids are sleeping. It is
 13 loud music, loud noise.
 14 I would go back there, and I would be
 15 banging on Allister's back door, and I would say,
 16 "What are you guys all doing here? I'm going to call
 17 the cops, if you guys don't get the hell out of here.
 18 You guys need to get the hell out of here. I have
 19 kids here. If the cops were to come they would take
 20 my kids. I'd be in trouble. You guys would all be
 21 in trouble. You know, like, get the hell out of the
 22 house. Like, leave."
 23 So he would get mad, and that's happened,
 24 I'd say -- I'd say, like, nine or ten times from
 25 November to, like, when we moved out. And he was

1 just being a jerk. He was just drinking all of the
 2 time, treating us really bad. And so when we moved
 3 out, it was January 31st. But when we did call the
 4 cops -- your question was calling the cops, right?
 5 Q. Yes.
 6 A. So I got -- I heard that Allister had a
 7 domestic violence, and in my town or on the
 8 reservation they will charge you for harboring a
 9 fugitive. And I was just tired of Allister's shit,
 10 too, you know.
 11 If you are wanted, then I'm going to get
 12 you out of the house, and we'll figure out where to
 13 go from there. So, at least we won't be bothered at
 14 night with partying and random people in the house.
 15 So we called our pastor up. He's a cop, and I said,
 16 "Does Allister have a warrant on him?"
 17 And he texted me back and he said, "Yes, he
 18 does. Where is he at?"
 19 I said, "He's here at the house. You can
 20 come and get him."
 21 He said, "Okay, I'm coming with another
 22 unit."
 23 So they came to the house, and then we
 24 opened the door, Allister Quintana, Brian Cachucha,
 25 Andrew Galleon, were all arrested that day. Allister

 10 A. January, like -- like, early January. He
 11 was in jail for a while for domestic violent.
 12 Q. Did he get out of jail on January 31st of
 13 2018?
 14 A. Yes.
 15 Q. Did he come home on January 31st of 2018?
 16 A. Yes.
 17 Q. How did he treat you when he came home?
 18 A. He was really upset. He was really mad.
 19 We were making dinner, and it was our last night
 20 there.

us a temporary trailer put at the RV park. So we were moving. And then my sister was going to take care of my kids until we found appropriate housing, so that was the plan. And that night of the 31st, we had already gotten everything out except for my dressers, and that's what we were doing.

So I figured, since we're here, we should just cook dinner and then go back. So we decided to cook dinner. And I was making the fire because the heater didn't work at that time. And then I was sitting in front -- I was sitting in front of the fire trying to make it. Michael was in the kitchen cooking. The kids were in the living room and Allister just walked through the door, and he goes, "What the fuck are you guys still doing here? You guys are still here? Like, why are you guys still here?"

And then he slammed the door really hard and he said, I don't want you guys here no more. I don't know why the fuck you guys are still here. So he, like, stamped his feet all of the way back to his room. And then when he stomped his feet back to the room I was, like, "Really?" And I was kind of shocked, too, because I didn't know he was getting out of jail. And this was about 6:00 or 7:00 p.m.

U.S. v. Allister Quintana

1 24 pack, Cheryl Cachucha walked in with a fifth, this
2 guy named Warren Cachucha came through the door, and
3 I was, like, "Oh, you're here for the party," because
4 I was upset. Right when Allister gets back that
5 night he started -- like, a bunch of people walked
6 through the door with alcohol. I was like "Sorry," I
7 was like I was just being sarcastic.

8 So me and my kids left, and then Heaven
9 was, like, "I don't trust all of those people there
10 with Michael." I had a vision that they are probably
11 going to gang up on him or something. So we called
12 Michael, and Michael was, like, "I can't leave." He
13 is, like, "I can't go nowhere. This lady blocked me
14 in." He is, like, they said "They're calling the
15 cops, and I stole from them."

16 I was, like, "What the hell?" So I called
17 the cops myself and I said, "Just so I could have on
18 record on my end," I said, "You know, Allister
19 Quintana is blocking in my husband. We just moved
20 out and we don't want no confrontation. We need the
21 cops there."

22 So we went back with the cops. My kids
23 stayed with my older sister, and the cops pretty much
24 told us, "Just go." They are like, "We know who
25 Allister is. We know what kind of person he is."

U.S. v. Allister Quintana

1 So I called my older sister and Michael --
2 I told Michael about it first, and I said, "You know,
3 Allister is talking shit. He's throwing a fit. I
4 don't want to be here."

5 And he is, like, "You know, fuck that."
6 He's, "Allister, like, what's your problem?" And
7 Allister is all, "I don't fucking want you guys
8 here," and they were yelling at each other through
9 the room door. And I figured I better call Heaven
10 or -- Heaven's my older sister. I said, I better
11 call my sister or my cops, because this is going to
12 get crazy if Michael ends up hurting him. On the
13 reservation, if you are nontribal member, and you hit
14 a tribal member, they'll charge you pretty good.

15 Q. Is your husband a nontribal member?

16 A. Yes, he is. So after that we had just -- I
17 left with the kids, because things were already
18 getting bad. So when I left with the kids, I called
19 my sister. My sister came over. She picked me and
20 the kids up, and then we went to her house. And then
21 she called Michael and said, "You better come over
22 here. I don't trust those people."

23 But before we were leaving Allister's
24 house, me and my kids, Benny Collins walked in
25 through the door with a big old case of beer, like,

U.S. v. Allister Quintana

1 This is what they said -- the cops told my husband
2 and I, "We know what kind of person Allister is." He
3 is, like, "Just go. He's a little asshole. Just
4 go." He's, like, "We'll deal with this. This isn't
5 really nothing."

6 We were, like, "Okay." So we left. They
7 got that lady who was Judith -- I don't know her last
8 name, but they told her to move her vehicle out from
9 behind my husband's ride.

10 Q. You're talking about the police did this?

11 A. Yes. They got her moved out of there, and
12 then we left. And that was the last time that I ever
13 conflicted with Allister.

14 Q. And that was on January 31st of 2018?

15 A. Yes.

16 Q. Travis wasn't at the house at that time?

17 A. No.

18 Q. When you moved out, was there any blood in
19 the house?

20 A. No.

21 Q. Was there any strange smells?

22 A. No.

23 Q. And did you see Travis or Allister on
24 February 2nd or 3rd of 2018?

25 A. On February 2nd, me and my husband went --

1 we work together at the EMS. So during lunch we went
 2 to the store, and on our way into the store we saw
 3 Allister Quintana with Benny Collins and Howard
 4 Martinez. They were altogether, and they all walked
 5 into the store, and I said, "Today is his birthday."
 6 And Michael goes, "Well, they're just going to tear
 7 up the house. I'm just done with that."

8 Q. Whose birthday?

9 A. Allister Quintana's birthday.

10 Q. February 2nd?

11 A. Yes.

12 Q. And did you see Allister any more after
 13 bumping into him at the store at lunch on
 14 February 2nd?

15 A. No.

16 Q. Did you ever here from your brother,
 17 Travis, again?

18 A. No, I didn't.

19 Q. When did you discover that your brother,
 20 Travis, was dead?

21 A. On February 14th. It was around 4:00
 22 p.m., and I'm an ambulance driver.

23 Q. Please continue.

24 A. It was about 4:00 p.m. My boss -- I just

3 And they said, "Oh, shit," like "Allister,

10 Q. "DOA" means "dead on arrival"?

11 A. Yes. So we went. I got out of the

 13 crime scene" tape from the driveway. And there were
 14 cops and they are, like, "You can't go in. You can't

1 Travis, but at the time I didn't know it was him. At
 2 the time I didn't know it was him because the body
 3 was too bloated. And the body was -- the way he was,
 4 I kept saying -- I said, "I need to look for my -- I
 5 need to look for my brothers," which is Daniel
 6 Benedict and Travis Howland, because their lifestyle
 7 is street everyday. They were good people but they
 8 had an alcohol problem. And -- but that was my first
 9 instinct, because all of my brothers partied
 10 together, and were stupid together.

11 I found Daniel. We just never found
 12 Travis. And that was on February 14th, around
 13 4:00 p.m. And I didn't find out it was Travis until
 14 probably a week later, because -- everybody was
 15 already saying it was him. But we didn't find out
 16 officially that it was Travis until DNA results came
 17 back. And they didn't even identify him through DNA.
 18 They identified him through his fingerprints.

19 Q. Ms. Howland, I hate to ask you to think

23 A. Yeah, his hair was cut. He had really
 24 long, beautiful hair. His hair was long, probably to
 25 his thighs, and the person that I seen, it was about

1 A. Well, that's the thing, after the call I
 2 was still trying to figure that out. After the call,
 3 I went back to work, because I was frantic. And I
 4 was going to drop my -- drop a unit off, so I could
 5 leave work and go look for Travis or Daniel and make
 6 sure they were okay.

7 Right when I got back from work -- right
 8 when I got back to the station, Benny Collins was on
 9 hold for me. And I was, like -- I didn't know at the
 10 time who was on the phone for me. All my co-workers
 11 said is, "You got a phone call. They've been on hold

13 I was, like, "Okay." I figured maybe it
 14 was my husband, or maybe my sister. So I answered
 15 the phone, and he said, "Hey, can you take me up to
 16 the cops? Can you take me up there? Can you,
 17 please, take me up there?"

18 And I said "Who's this?"
